## INTRODUCTION

Join us as we look at Hidden Beach Resort and what to expect from the pinnacle of clothing optional resort destinations.

PLUS, you are now an "Insider" for Hidden Beach Resort and we will make sure you receive personal notifications of specials, discount and resort news.

## WHY CHOOSE HIDDEN BEACH OVER OTHER RESORTS?

Our customers tell us that, Hidden Beach Resort is the classiest of the adult, clothing optional resorts. It offers the amenities of three resorts as it is next door to the elegant El Dorado Seaside Suites and Sensimar Resorts. Karisma Resorts operates these fabulous properties.

HBR is intimate with 42 Oceanfront Jacuzzi Suites and one Presidential Luxury suite on site. It has activities and plenty to do without losing its relaxed feel. Hidden Beach has enough “spice” for any traveler whether you are a nudist or want to have fun with friends. It is a favorite destination that people return to again and again.

## CASTAWAYS TRAVEL KNOWS HIDDEN BEACH

James and Donna have been involved with clothing optional travel for since 1984. They helped found Hidden Beach Resort in 2003 when Castaways hosted the first nude week ever in Mexico at El Dorado Resort, which was reserved for a full week of nude fun by over 300 guests.

Hidden Beach Resort (next door to El Dorado and Sensimar Resort) opened that same week, May 3, 2003. What's more, Castaways chartered the first nude flight in history on a Boeing 737 jet between Miami & Cancun to celebrate the week and the opening of Hidden Beach Resort.

Castaways' owners, James and Donna, have been involved with clothing optional travel since 1984.

## CASTAWAYS HAS DEVELOPED A SCALE FOR MOST OF THEIR DESTINATIONS WHICH ARE BASED ON THREE FACTORS:

1.  Stars : The classic measure of quality.
2.  Dollars : A relative scale of cost.
3.  Spice : The scale from nudity to sensual to sexual.

## FOR HIDDEN BEACH RESORT WE CAN APPLY THE FOLLOWING SCALE:

For quality. You really can't beat Hidden Beach for a great experience!

For cost (book a group trip for the best prices).

For spice but Hidden Beach is working on a 3. Full nudity is allowed and welcomed everywhere on the property.

As an observation, many Hidden Beach guests typically dress for dinner and often visit the El Dorado Resort / Sensimar Resorts next door to enjoy dining at 10 other restaurants. As a guest of Hidden Beach, you have unlimited access and use of all facilities of the El Dorado Resort and Sensimar properties... of course, with your clothes on.

## HIDDEN BEACH IS THE BEST QUALITY CLOTHING OPTIONAL RESORT AVAILABLE TODAY

Some Hidden Beach guests typically dress for dinner and often visit the El Dorado Resort / Sensimar Resorts next door to enjoy dining at 10 other restaurants. As a guest of Hidden Beach, you have unlimited access and use of all facilities of the El Dorado Resort and Sensimar properties... of course, with your clothes on. Guests at those two resorts may visit Hidden Beach by buying a day pass.

### **What it is:**

[Hidden Beach Resort](#) is an intimate, high quality, all inclusive resort that commands luxury value. The affiliate resorts next door to Hidden Beach are El Dorado Resort and Sensimar by Karisma. Guests of Hidden Beach can also enjoy the extensive amenities and restaurants at El Dorado Resort and Sensimar, which are not clothing optional but they are adults only for singles and couples.

### **Who enjoys it the most:**

The people who love Hidden Beach enjoy a combination of nudity in a luxurious tropical setting with total privacy. The location of Hidden Beach allows for the nude beach to be accessed only by guests.

There is a sensual, accepting and playful atmosphere at Hidden Beach. The "wilder" crowd who would enjoy a definite sizzle or sexual charge in public won't find it at [Hidden Beach Resort](#). Of course, that's not to say you can't up your spice level while staying at Hidden Beach but that is totally up to you.

### **Where:**

Hidden Beach is located on the Caribbean Sea one (1) hour south of Cancun's International airport on the Mexican Riviera.

**When:**

The prime season is when this part of the Caribbean is at its best during winter and spring. During the off-season (summer and fall), rates are value-priced. The trade off is warmer temperatures for the best deal. Castaways invites you to join their group trips that offer lower contract room rates. We have negotiated special rates during these "takeover" events that are even more very attractive.

## CLOTHING IS ALWAYS OPTIONAL

Hidden Beach Resort has a liberal policy about being nude. Guests enjoy being nude during the day for sunning, dining at breakfast or lunch and the pool and beach. If you want to wear a swimsuit, enjoy toplessness or cover up at any time, that's your choice. Wear clothing when you want to or don't. Either way is fine 24-hours a day anywhere at Hidden Beach. Many guests dress for dinner at Hidden Beach Resort, especially those planning to dine next door, visit the bars and enjoy entertainment at El Dorado Seaside Suites or Sensimar Resort - steps away from the front door of Hidden Beach.

## CODE OF CONDUCT

The resort is for guests participating in nude recreation and relaxation. However, there is an expected code of conduct and certain restrictions to ensure everyone is comfortable. They include:

- You may be nude always within the Hidden Beach Resort property
- Interpersonal behavior between guests and the staff is not allowed
- No photographs or videos permitted without express permission of all people in the photo or video
